Pharma | Finance | Travel

# Recruitment

Agency with...

# Healthcare & Life Sciences

Specialists

Finding top-quality professionals to fill open Pharma and life Sciences services jobs within your organisation can be a challenge, but partnering with a recruitment agency like JFT can make the entire process much easier. We specialise in recruiting for Senior and Leadership level roles.

**We are a 10 yrs young GST compliant recruitment firm and been recruiting in India since 2009.** Our recruiters come from backgrounds in Pharma and medical science domain, giving us a thorough understanding of the complex hiring requirements for Pharma Industry.

We don't simply submit a stack of CVs to you immediately. Our methodology is to take consultative approach which includes identifying hiring needs, vetting candidates' profiles, and then, sending them to you for interviews, and finally engaging in Pyscometric Test for getting the best Fit for company.
