Financial Services

Specialists

Our financial recruiters are well connected, dynamic and experienced in the industry. They intricately understand the banking and finance marketplace and have successfully fulfilled the vacancies throughout the nation. We specialise in recruiting for Mid to Senior level roles in Corporate Lease & Finance, Banks, NBFCS such as Risk, Corporate Finance, portfolio.

We are a 10 yr young GST Compliant recruiting agency estd in 2009 ,based in Mumbai .

We take a consultative approach to recruitment, meaning that when we partner with a company, we go further than simply sending in a stack of CVs. We truly work to understand hiring needs first, and then finding the professionals with the right skillsets to fill those needs.

We don't simply submit a stack of CVs to you immediately. Our methodology is to take consultative approach which includes identifying hiring needs, vetting candidates' profiles, and then, sending them to you for interviews, and finally engaging in **Pyscometric Test for getting the best Fit for company.**
